

Sierra K Houser

Animator | 3D Modeler

Experience:

Art Tutor, Animation and Fine Arts Tutor

Varsity Tutors, Independent Contractor

July 2021 - present

Collaborate individually with a variety of students in order to help them improve their animation and fine art skills. Create lesson plans and skill assessments in order to help the student improve and grow as successfully as possible

Social Media Content Creator, Motion Graphics Animator

Things Are Going Great for Me, The Podcast

July 2021- present

Worked closely with podcast host J. Claude Deering to promote season 2 of his podcast. Used Photoshop to create 20 tiles of the show's guests in the designated style, and used After Effects to create 10 one minute animations using podcast audio.

Schematic Animation, Motion Graphics Animator

Coffin Turbo Pump

July 2021

Edited footage and animated a visual representation of a diagram of a water pump to be used in a promotional explainer video.

Rise Fitness, 3D Animator and Texture Artist

Cleveland Institute of Art

January 2020 - May 2020

Collaborated with an Industrial Design student to create a 30 second promotional video in AutoDesk Maya that showcased a conceptual exercise machine she had designed.
